## GENERAL INSTRUCTIONS FOR PARENTS

- The school does not bear any responsibility for a child getting hurt while playing during school hours. However, prompt medical attention will be provided for which the parents have to bear the expenses.
- Private tuitions are strictly prohibited except in very special cases, after obtaining written permission from the Principal.
- At times the school has to be closed due to unavoidable and unforeseen reason, if a Review or Examination has been planned on that day, the concerned test or examination shall be held on the working day following the last test / examination held.
- Parents are requested to label each and every article brought by the child so that he/she can easily identify her belongings.
- Your child is not allowed to participate in commercial activity (collection of money, gifts) with any school staff for any reason, unless authorized by the Principal in writing.
- Your child should wear specified school uniform on all working days and for all school functions.
- You should study the report/remarks for the child given in the handbook with care and take note of the remark seriously.
